Product Description

EGO POWER+ 21" Dual Port Snow Blower Kit - SNT2101

The EGO POWER+ Snow Blower delivers the power and performance of gas-powered snow blowers without the noise, fuss, and fumes. Featuring Peak Power™ technology, this cordless snow blower combines the power of any two EGO 56V ARC Lithium™ batteries for the performance to clear even the heaviest, wettest snow. Built with a high-efficiency brushless motor and a 21-inch clearing width, this electric snow blower can handle what the city snowplow leaves behind—and throws it up to 35 feet. Easily adjust the variable-speed auger and remote chute adjustment to control how far the snow is thrown. Experience Power Beyond Belief™ with the EGO POWER+ Snow Blower and the entire EGO POWER+ lineup.
