Categories: [EGO](#)

### **Product Description**

## **EGO POWER+ PRO Backpack Link - BHX1001**

Bridge the gap between the EGO Commercial line and your EGO POWER+ tools with the BHX1001. Carry the weight of your EGO products on your back versus the tool. With an easy to use plastic battery dock you can quickly lock/unlock any of your EGO Power+ tools. Plus, a carrying handle enables you to take it anywhere. Get the bigger jobs done faster with the POWER+ Backpack Link.
