Product Description

EGO POWER+ 12" Commercial Top Handle Saw Kit w/ Battery Holster - CSX3003

Introducing the EGO POWER+ Commercial Series Top-Handle Chainsaw, a revolutionary cordless chainsaw that delivers the power of gas without the noise, fuss, and fumes. With advanced torque and chain speed it delivers the equivalent power of a 35.2CC gas chainsaw lasting up to 265 cuts (when used with the recommended 5.0Ah 56V ARC Lithium™ battery). Equipped with an aggressive 12" bar and chain, this well-balanced compact saw with included lightweight battery holster is designed to tackle the challenges of all-day professional use while trimming, pruning and limbing. The high-efficiency brushless motor allows for longer run time, low vibrations and extended tool life. For added safety the cutting-edge chain-brake safety system shuts the blade off immediately. Performance that will last with an automatic oiling system that prolongs chain life for smooth, precise cuts, and LED low oil indicator light making replenishment quick and easy. Compatible with all EGO POWER+ ARC Lithium™ batteries to deliver Power Beyond Belief™.
