Product Description

Firman Dual Fuel 3650W Portable Generator Electric Start - H03651

In need of a portable mobile generator that is ready for your next adventure or project?

The FIRMAN H03651 Dual Fuel Generator provides power on demand. It's a hybrid power station that combines a gas-powered and propane-powered generator.

Whether you need it for the camper van, the off-grid cabin trip with friends or to provide power for projects around your home, the H03651 can be your best choice.

The H03651 comes with an engine oil bottle, oil funnel, spark plug wrench, two double open-ended wrenches (10mm x 12mm), and an LPG regulator with a hose holder.
