Product Description

Rayco 4000AWL Articulated Wheel Loader

This turf-friendly, highly maneuverable articulated wheel loader offers a light footprint and heavy workload. Designed to meet the material handling needs of tree services, landscapers, rental companies, municipalities, light construction, and agricultural business, the all-new, versatile Rayco 4000AWL can take on many big challenges in small areas - while minimizing ground disturbance. The 4000AWL offers impressive lifting capacity and a compact size that easily works inside fenced-in yards, pens, nurseries, and more. In addition, the telescoping boom is standard on the 4000AWL to provide excellent dumping and lifting height.
