Product Description

Morbark Eger Beaver 1621X Brush Chipper

The Eger Beaver 1621X Brush Chipper is the scaled version of the Eger Beaver 1821 Chipper featuring reduced horsepower engine selections and spring-applied down pressure. This powerful, high-performing chipper provides a balance between performance, production, capability, and efficiency - making it the ideal unit for residential tree services, utility line clearing, vegetation management, maintenance contractors, municipalities, and more.
