Product Description

Rayco Mini Work-Force - RG13 Series II Stump Cutter

Our Mini Work-Force line is the most complete line of handlebar stump cutters available. These rugged machines provide a commercial-grade solution for your stump-cutting needs when compact size and affordability are at the top of your priority list. Every unit is built with features like heavy-duty frames, adjustable handlebars, and a powder coat paint finish. Quality components throughout, with gasoline engines by Honda and Kohler, and top-of-the-line air filtration systems. All operator controls are located behind the operator station for safe and easy operation.
