### **Product Description**

## **Honda 21" Commercial Push Mower - HRC216PDA**

- Push type
- Easy starting commercial GSV160 Honda engine
- Rugged features for commercial use

### **Honda commercial-grade GSV160 OHV/OHC 4-stroke engine**

The easy-starting, powerful, and quiet GSV160 commercial engine is designed for superior reliability. Features include a cast iron cylinder sleeve, two-stage air filter, ball bearing supported crankshaft, electronic ignition, and mechanical governor.

### **Rugged, durable steel deck**

The 21" heavy-duty steel deck is rugged and built to last. Deck guards extend along the sides to increase durability.

### **Honda MicroCut® Twin Blades: superior mulching and bagging**

Honda's exclusive MicroCut® twin blade system uses four cutting surfaces that result in ultra-fine clippings for superior mulching and bagging. Tiny pieces mean up to 30% more clippings in a bag, plus better mulching - saving you time and money.
