Product Description

Kress Commercial 60V 660 Wh 8-minute CyberPack - KAC810

Welcome to the post-gasoline era. 8-minute CyberSystem: The industry's fastest battery charge. Fully Charged in 8 minutes, 10 x battery life, 2 x power output and zero downtime.

- Kress CyberPack can charge from 0 to 100% in only 8 minutes, therefore you can operate with zero downtime.
 - Kress Commercial batteries have up to 10 x the battery life of Li-Ion OPE batteries using cylindrical cells.
 - Advanced battery management systems optimize the performance and life of the batteries.
 - 8-minute CyberSystem batteries allow for connectivity to help you manage all of your products and crews, such as battery diagnostics, fleet management, and much more!
 - IPX5 rating, eliminates concerns about finishing the job, even on those wet weather days.
 - Integrated Bluetooth capability linked to the Kress Commercial app to provide you with access to in depth data.
-
