Product Description

Kress 60 V 5 Ah Battery - KA3008

The 60V max 5.0Ah lithium-ion battery guarantees continuous power and faster charging for the toughest jobs. Stay cool technology, even under high loads; manufactured from top-quality materials for longer service life.

- 60 V battery provides petrol-like power without any emissions
 - 5 Ah capacity for tasks that demand higher levels of energy and a longer runtime
 - The intelligent battery management system provides the optimal amount of energy supplied
 - The insulating HDPE battery shielding ensures the battery cells cool for longer battery life
 - The built-in battery cell guard protects from extreme external temperatures and physical impacts
 - Battery capacity indicator for a quick reference of the battery status
 - Waterproof design for continuous working even when it is raining
-
