Product Description

Kress 40 V 15\"/>

Kress 40 V battery-powered trimmer offers the maximum power required in trimming and edging. Dependable operation without fuel mixing, starter cords, chokes, and engine maintenance. High performance without noise, complexity, and exhaust fumes.

- Kress-built brushless motors provide more power, longer runtime, and extended lifespan over standard brushed motors
 - Quick line load design for rewinding the line easily
 - Multi-position handle ensures the optimum balance and control for slope and height adjustment
 - ECO mode extends battery life, great for trimming in delicate areas.
 - Wired performance without wires. Kress CrossPack battery is interchangeable with all 20 V and 40 V Kress tools
-
