Product Description

Kress 40V Brushless Silent Tech Blower - KG584

The Kress 40V blower, boasting a powerful 530 CFM output, is equipped with an advanced brushless motor. Its design is not only lightweight but also perfectly tailored for homeowner use, blending efficiency with ease of handling.

- Part of Kress 60V Battery System, one 60V battery can power all Kress 60V tools
 - Kress-built brushless motors deliver greater levels of power, runtime and an extended service life
 - Continuous infinite speed control with Turbo mode maximizes the efficiency, runtime and power
 - Well-balanced and ergonomic design for optimized controls and reduced fatigue
 - Wired performance without wires. Kress KrossPack battery is interchangeable with all 20V and 40V Kress tools
-
