Product Description

DeWalt 20V MAX* 14 in. Folding String Trimmer

This 20V MAX* 14 in. String Trimmer features an innovative folding hinge mechanism that reduces the length by 40%** for accessible storage and quick portability. The QuickLoad™ Spool allows for fast and easy line replacement of the DEWALT 0.080 in. line. The 14 in. swath gives a large cutting radius for knocking down wide sections of overgrowth in one pass. The variable speed trigger offers precise power control, as well as performance and runtime management with the Hi/Lo speed control switch.

Features:

- Folding hinge to fit into small storage spaces**
- Reduced length when folded for easy transportation**
- 14 in. swath for a wide cutting area
- Durability even in the thick brush
- Choose between performance and runtime with variable-speed trigger
- Wind new line fast with QuickLoad™ Spool
- Control power level with Hi/Lo speed control switch

Includes:

- (1) DCB115 Battery
 - (1) Guard
 - (1) Handle
 - (1) DCB205 Battery
-
