Product Description

DeWalt 20V MAX* 1-1/2 in Cordless Pruner

Get up to 1,100 cuts per charge** with the high-performance 20V MAX* 1-1/2 in. Cordless Pruner. This Pruner can cut thick flower stems, branch limbs, and bush overgrowth with a 1-1/2 in. cutting capacity and a lightweight build for low hand strain. Swiftly cut through shrubs and thick brush with 16X less effort on average than a manual pruner***. An integrated LED provides visibility in low-light spots as you work. Make fast, smooth cuts with the non-stick, coated blades and quickly change them with an change tool included for convenience.

Features:

- SMOOTH, SWIFT CUTS with non-stick coated blades
- QUICK BLADE CHANGES: Switchblades out with the included change tool
- BRIGHTEN DARK WORK AREAS with the on-board LED work light

Includes:

- (1) DCPR320 Pruner
 - (1) DCB203 Battery
 - (1) DCB107 Charger
 - (1) Tool for Blade Change
-
