Product Description

DeWalt String Trimmer Attachment DWOAS9ST

Tame tough yards with the DEWALT® Universal String Trimmer Attachment that provides versatility and power. Transform your DEWALT® attachment-capable power head, or edger into a powerful string trimmer with this attachment that features the QuickLoad™ spool head design for fast re-spooling on busy days. Designed with an adjustable swath and .080 in. dual line, this accessory is a part of the DEWALT® Attachment-Capable System that allows users to convert the DCST972 60V MAX* Attachment Capable String Trimmer or DCED472 60V MAX* Attachment Capable Edger into other outdoor tools to help maximize productivity potential.

Features:

- **VERSATILITY AND PRODUCTIVITY** - Go from edging to trimming quickly with this powerful attachment.
- **EFFICIENT CUTTING POTENTIAL** - Take on large jobs with an adjustable 15 in. swath that expands to 17 in.
- **OPTIMAL REACH** - Achieve ideal reach for challenging yards with a straight shaft design.
- **QUICK SPOOL LOAD** - Re-spool fast with a .080 in. (also works with DEWALT® .95 in. line) dual trimmer line and QuickLoad™ spool head.
- **PART OF THE DEWALT® UNIVERSAL ATTACHMENT-CAPABLE SYSTEM** - Convert the DCST972 60V MAX* Attachment Capable String Trimmer or DCED472 60V MAX* Attachment Capable Edger into other outdoor tools to help maximize productivity potential.
