Product Description

Bobcat 48" WB700 Walk-Behind Commercial Mower

- Make tough mowing feel like a walk in the park. The hydraulic drive does the hard work for you, powering forward to reduce fatigue when long days on the job are the norm.
 - More Power. More Drive. The innovative Hydro-Gear ZT-2800 hydrostatic transaxles deliver smooth and simple operation with heavy-duty output torque and comfortable ground speeds of up to 6.5 mph.
 - The Cut You've Always Wanted. Depend on a superior quality of cut every time with the reliable TufDeck cutting system, equipped with steel-fabricated spindle assemblies and welded baffle system. Lift each blade of grass for a more precise cut - every time.
 - Easy Operation. The ergonomic handle design and intuitive control layout keep operators mowing confidently and comfortably.
