Product Description

Husqvarna 525iECS 40v Pro Edger

Husqvarna 525iECS is a robust, high-performance professional battery lawn edger. Well-balanced, lightweight and power equivalent to a 25cc petrol machine. Designed for full-time use, this cordless electric lawn edger with curved shaft and brushless E-TORQ motor provides an efficient and reliable way to put the finishing touch on any lawn. You operate it easily thanks to the comfortable loop handle and intuitive keypad with 3-speed mode and battery status indicator. Battery and charger not included.
