Product Description

Husqvarna 525iES 40v Pro Edger

Husqvarna 525iES is a robust, high-performance professional battery lawn edger. Lightweight, well-balanced, and power equivalent to a 25cc petrol machine. This cordless electric lawn edger is designed for full-time use, with the straight shaft and brushless E-TORQ motor providing an efficient and reliable way to put the finishing touch on any lawn. You operate it easily thanks to the comfortable loop handle and intuitive keypad with 3-speed mode and battery status indicator. Battery and charger not included.
