### **Product Description**

## **Blue Diamond Attachments - 72" High Flow Closed Front Brush Cutter**

The Blue Diamond® Extreme Duty Closed Front Brush Cutter is the most versatile skid steer brush cutter on the market. This attachment cuts grass like a lawn mower and still can cut 5" trees!! Why buy a brush cutter that limits you to one or the other? Very few brush cutters, if any, can perform in various applications as the Blue Diamond® Extreme Duty Brush Cutters can! Rental Recommended.

- No case drain is needed on low-flow units
  - New faster-acting external cross port relief and brake
  - New longer lasting stamped blades
  - Available in low or high-flow
-
