Product Description

Blue Diamond Attachments - 66" Standard Duty Rock Bucket Grapple

The Blue Diamond® Standard Duty Grapple Rock Bucket uses 3/8" steel with the tines spaced at 3". This very popular bucket can be used for sifting or raking and is available with dual grapples for holding your material. Works well as a land plane, skimming off high spots with the leading edge and smoothing the loose soil off again with the rear cross bar. The drop down inside keeps rocks from sliding out.

- Laser cut cutting edge gussets tips of tines
 - 3" spacing between tines
 - Works great as a land plane and for light clearing
-
