Product Description

Blue Diamond Attachments - 60" Skid Steer Push Broom

This incredible Blue Diamond® Skid Steer Push Broom will amaze you!

Clean up job sites, push light snow, sweep leaves, squeeze water, or groom ball fields. Add our heavy-duty magnet for picking up screws, nails, and other steel debris. The Standard Duty comes with 8 rows of bristles, and the Heavy Duty has 11 rows. Both models are available in 60", 72", or 96" widths.

- Safe around people and animals
- Less dust than a rotary broom
- Does not require auxiliary power
- Most mounts available to fit forklifts, skid steers, and mini skid steers
- Moves anything from dust to small rocks
- Maintenance free
- 1-year warranty

APPLICATIONS:

- Cleaning roads in new home developments
 - Farms, parks, and trails
 - Sweeping out van trailers
 - Industrial, barge, and ship cleanup
 - Demolition sites
 - Recycling and transfer stations
-
