Product Description

Little Wonder 5YD 29HP Monster Self-Contained TruckLoader

Little Wonder Monster Self-Contained Truckloaders are an all-in-one hitch-and-go leaf collection and dump system that includes a debris loader, large capacity dump container and trailer. It's an entire towable leaf collection and dump system you tow with your work truck. Only Little Wonder offers a full line of large capacity self-contained truck loaders. And, with our industry leading 15:1 leaf reduction ratio, you'll clear more leaves in a single offload than with any other truck loader.

- **Serrated impeller**
 - 4-blade steel
 - up to 15 to 1 reduction ratio; best in industry
 - fit more debris in the truck - less offloads
 - **Square stack**
 - Forces airflow to the corners to keep debris moving; reducing clumping and clogs
 - Less downtime due to clogging
 - Stack gaskets seal in airflow and lock in debris moisture for a clean machine
 - **Power and fuel**
 - Little Wonder self-contained units are available in 29HP, 35HP, and 49HP
 - Gas and diesel units are available
-
