### **Product Description**

## **Ariens IKON Onyx 52" Kawasaki Zero Turn Mower - 918026**

Every lawn mower makes a statement. The IKON ONYX™ makes several. It lets your neighborhood know that when you mow your lawn, it's anything but business as usual. Even parked in your driveway, it tells passersby you don't settle for just any machine to cut your grass. This is premium style and performance from the top of its comfortable high-back seat with its rubber isolators to the bottom of the aggressive tread on its rear tires.
