Product Description

Scag SFC 21" Self-Propelled Walk-Behind Mower

The Scag® SFC-21 Finish-Cut Walk-Behind mower is the compact machine you've always wanted—packing big productivity and versatility into a 21" wide platform. On the job or at home, the SFC-21 delivers a professional quality-of-cut that leaves behind a beautiful lawn, each and every time. Capable of 3-in-1 versatility (mulching, bagging and optional side discharging), it helps you tackle whatever challenges come your way with top-notch results.
