Product Description

eXmark 72" Lazer Z S-Series Zero Turn Mower

The Lazer Z S-Series makes up the core of countless landscape professionals' fleets. With 30 years of refinement and innovation, the Lazer Z S-Series delivers maximum durability and Exmark Signature cut quality, with options for larger decks and more powerful engines than the Lazer Z E-Series. Select from 52-, 60-, or 72-inch UltraCut Series 4, or 60- or 72-inch UltraCut Rear Discharge cutting decks, with a choice of powerful Kawasaki or EFI Kohler commercial engines.

In all, the Lazer Z S-Series delivers the power and productivity to make quick work of large jobs, with the reliability and long-term value Exmark owners expect.
