Product Description

Worldlawn 60" King Cobra Zero Turn Mower

The heavy duty King Cobra zero-degree-turn riding mower was built with the bottom line in mind. With world-class components like a Kawasaki FX series engine, a Hydro-Gear ZT-5400 powertrain and a single point height setting with four fine adjustments, the King Cobra will deliver the perfect cut every time.

- Kawasaki FX series engines
- Maintenance free sealed non-greasable spindles
- Single point height setting with four fine adjustments
- Triple laminate cutter housing mounting
- Hydro-Gear ZT-5400 transmissions
- Discharge, mulch, or collect
- 8 ga. steel deck
- Standard R.O.P.S.
