Product Description

Worldlawn 60" King Cobra Zero Turn Mower

The heavy duty King Cobra zero-degree-turn riding mower was built with the bottom line in mind. With world-class components like a Kawasaki FX series engine, a Hydro-Gear ZT-5400 powertrain and a single point height setting with four fine adjustments, the King Cobra will deliver the perfect cut every time.

- Kawasaki FX series engines
 - Maintenance free sealed non-greasable spindles
 - Single point height setting with four fine adjustments
 - Triple laminate cutter housing mounting
 - Hydro-Gear ZT-5400 transmissions
 - Discharge, mulch, or collect
 - 8 ga. steel deck
 - Standard R.O.P.S.
-
