Product Description

CFMoto UFORCE U10 Pro XL - Camo

Introducing the UFORCE U10 XL Pro. This premium model features a 998cc inline triple engine, optimized for quieter and smoother performance. Two deluxe bench seats provide room for six riders. Experience unparalleled refinement with a CFMOTO RideSync™ 8" TFT display, full cab options, and an innovative push-button electric shift. The U10 XL Pro stands as a testament to CFMOTO's commitment to superior quality and customer-focused design. As a premium utility model, this big, luxurious work machine is the definitive choice for discerning riders who seek the perfect combination of power, polish, and performance—a true Perfect 10.
