Product Description

CFMoto CFORCE 1000 Touring

Enter the all new CFORCE 1000 Touring—a testament to innovation, luxury, and unmatched power—at a price point that leaves other brands crawling back to civilization. Driven by a new bulletproof, high-output twin-cylinder engine that delivers apex power and performance, you’ll conquer challenging trails and blaze new ones like never before. From the all-new engine to the highly adjustable gas suspension to the innovative TFT display, it’s the ultimate touring machine.
