Product Description

Echo Power Equipment PB-7910T

The ECHO X Series PB-7910T expands ECHO's lineup of commercial-grade high-performance backpack blowers by providing higher power at a lower price point than competitive models. It features an advanced 79.9cc 2-stroke engine making it the most powerful blower on the market under \$600 MSRP.

TOP FEATURES

- 79.9 cc professional-grade, 2-stroke engine
 - 40N of blowing force
 - Padded shoulder straps and backrest
-
