Product Description

Husqvarna 522iHD60

Battery hedge trimmer for frequent trimming, featuring integrated connectivity

Husqvarna 522iHD60 is a lightweight and well-balanced 36 Volt battery-powered hedge trimmer for full-time professional use. Power-equivalent to a petrol hedge trimmer.

Optimised for more frequent trimming, this cordless hedge trimmer features a high-speed gear and 60cm double-sided cutter bar with sharp, trim-cut knives grinded on three sides. Place the battery in the product for great cordless manoeuvrability or maximise runtime by using the special adapter accessory to connect to a backpack battery. Integrated connectivity for easy connection to digital services. Battery and charger not included.
