Product Description

BAD BOY MOWERS E-SERIES 80V BRUSHLESS 10" POLE SAW

The Bad Boy 80V 10" Bar and Chain Pole Saw is a safe and easy way to trim high branches and limbs without the use of a ladder. The brushless motor delivers more torque for a professional cutting experience and features more power, longer runtimes, and quiet operation. Includes additional 3' extension pole for a maximum reach of 11'. The automatic oiler extends the life of your 1/4" chain and features a translucent oil tank for a clear view of oil level.

Includes:

- (1) 2 Ah Battery (144Wh)
- 2A Charger (60 Minute Charge Time)
- Brushless Motor
- 10" Bar and Chain
- 8' 3 Piece Aluminum Shaft
- Ultra Lightweight
- Push Button Start
- Automatic Oiler with Fill Indicator
