Product Description

E-SERIES 80V 10" POLE SAW. (Tool Only)

The Bad Boy 80V 10" Bar and Chain Pole Saw is a safe and easy way to trim high branches and limbs without the use of a ladder. The brushless motor delivers more torque for a professional cutting experience and features more power, longer runtimes, and quiet operation. Includes additional 3' extension pole for a maximum reach of 11'. The automatic oiler extends the life of your 1/4" chain and features a translucent oil tank for a clear view of oil level.

Includes:

- Brushless Motor
- 10" Bar and Chain
- 8' 3 Piece Aluminum Shaft
- Ultra Lightweight
- Push Button Start
- Automatic Oiler with Fill Indicator
