Product Description

E-SERIES 80V HEDGE TRIMMER

Key Features:

Brushless Motor: Enjoy more torque, quieter operation, and an extended lifespan with our advanced brushless motor technology.

24-Inch Dual Action Blades: Achieve cleaner cuts with reduced vibration, ensuring your hedges look pristine and well-manicured.

Rotating Rear Handle: Trim with ease from multiple angles, making it perfect for those hard-to-reach spots.

Long Battery Life: Get up to 60 minutes of uninterrupted trimming with the fully charged 2Ah battery, allowing you to tackle even the biggest jobs without hassle.
