Product Description

Bad Boy Raider Walk-Behind 36" Kawasaki FS600

A WALK-BEHIND LIKE NO OTHER

The Dual High-Performance Hydro-Gear Integrated Drive System provides for reliable, self-contained power and performance. Drives are protected by skid plates from curbs or other obstructions. The brake, engage, electric blade start and control levers are all right together on the control bar. Our unique central lock—locking both transmissions in a single action for ensuring a straight cut — is a Bad Boy exclusive!
