Product Description

Grasshopper MidMount 225V-G4 52" Kohler

A compact, Grasshopper true zero-turn riding lawn mower designed with commercial-grade features such as comfort, durability, performance, ease of maintenance, and responsiveness. The zero-turn Model 225V-G4 mower utilizes heavy-duty Hydro-Gear ZT-4400 commercial transaxles with an integrated cooling fan that features 1-3/8-inch axles for longer service life. Ideal for commercial landscapers and large-acreage homeowners.

Features may include:

- Kohler Confidant Engine
 - Vigilant Operator Presence System
 - QuikAdjust Tilt Levers
 - Heavy-Duty Deck
 - QuikAdjust Drop Pin Height Adjustment
 - Reduced Maintenance
 - Rugged Construction
 - Ultimate Operator Station
 - Warranty
-
