Product Description

Grasshopper FrontMount 932 - 72" Kubota

Ideal for fleet operations, the Grasshopper Model 932 zero-turn riding lawn mower delivers maximum power to meet the needs of commercial operators in virtually any condition. The front-mount mower is built to deliver reliable performance year-after-year. Get year-round productivity with a choice of turf renovation and snow removal implements that mount in place of the out-front deck. Use the exclusive PowerFold® deck lift/electric height adjustment to rotate the deck up for easy cleaning or to fit more mowers on the same trailer.

Features may include:
