Product Description

1" Clean Water Pump with Hose Kit

Generac's CW10K is an all-in-one lightweight package that delivers the high-flow capacity you need to take on most pumping jobs! Startup is a snap with its custom Easy Prime $^{\text{TM}}$ funnel design, and color-coded suction and discharge ports; use it to remove standing water from small ponds, water gardens, and hot tubs.

Features:

- Lightweight design with ergonomic carry handle
- Powerful Generac 33CC engine
- Onboard instructions with icons of key touch points make this pump easy to use
- Easy Prime™ custom funnel design with tethered priming cap for quick and easy priming
- Color-coded suction and discharge ports to ensure the correct hose connections (Blue = Discharge; Green = Suction)
- Easily pumps up to 30 gallons per minute
- All-inclusive kit includes 10' suction hose, 25' discharge hose, and strainer
